

## ZOCCA FACT SHEET

*July 2010*

**Description:** Zocca, cuisine d'italia, is a new restaurant serving contemporary Italian cuisine on one of the most scenic sections of the River Walk in downtown San Antonio. The restaurant and bar take full advantage of the beauty along the banks of the River Walk. Over 60 seats are available on the casually elegant new patio.

Business travelers as well as leisure visitors will feel comfortable in Zocca. The menu offers Italian dishes from hand-tossed pizza to a variety of pastas and many other delicious entrees at great values.

**Menu:** The distinctive menu options were developed by Chef Jeff Foresman. As a local, Foresman knows what is in season in the area and integrates those items into wonderful Italian dishes. The Italian fare includes a selection of appetizers and salads.

These are followed by hand-tossed pizzas, a selection of fresh pastas and risottos that change daily, Prosciutto-wrapped Grouper, Caprese with locally grown Heirloom Tomatoes, Grilled Bistecca, and others. Top it off with a tiramisu and espresso for dessert.

**Décor:** The interior is inviting and warm, yet energetic and lively. Finished with handcrafted wood elements and decorative onyx panels, you'll have a sense of dining in casual comfort. At the center of the dining room is a hearth-like chef's table where Chef Foresman prepares wonderful meals.

The large folding wood and glass walls adjacent to the patio open completely, allowing a wonderful connection with the river. Zocca is perfect for everyday dining or special occasions.

Zocca Bar, adjacent to the restaurant and finished with handcrafted wood elements and decorative onyx panels, is a perfect venue for after work cocktails or a festive and enjoyable evening.
